'ICAI-ICE' an ICAI-Interactive CPE Enabler

Dear Member,

We are glad to inform that recently the CPE Committee has developed **'ICAI-ICE'** which is an ICAI-Interactive CPE Enabler for questions ahead of and during CPE programs.

The members may log into https://ice.icai.org , after typing the 5 digit id and may key in their questions. This ICE id may be used by the members to be able to ask the questions in advance and to get the answer during the session depending upon availability of time.

Further, following are some FAQs for better understanding of ICAI-ICE:

1. What is ICE
    A. To enable an Interactive CPE enabler and to receive questions ahead of the program

    Q. Why was ICE implemented?
    A. Enhance audience participation

    Q. Who creates the ICE code?
    A. The CPE committee and then they communicate to the respective POUs and is visible in respective Event details.

    Q. When is the ICE code created?
    A. After the CPE event approved on CPE Portal.

    Q. Is ICE code for all programs.
    A. Yes

    2. How to access the ICE code
                https://ice.icai.org
                    1. Click Link
                    2. Type code given
                    3. Select session
                    4. Ask question
                    5. Name and Membership no. is optional

We request you to kindly use this functionality .

With warm personal regards,

Chairman   **Vice- Chairman**
CPE Committee of ICAI   CPE Committee of ICAI
